

UTD DIOCESES OF TUAM LIMERICK & KILLALOE (Church of Ireland)

Opportunities for part - time ministry

A number of opportunities for part time ministry exist at present in our 'diocese of the West'.

All are situated in scenic areas and in each case accommodation is available.

We can offer clergy

- seeking a 'lighter' ministry
- approaching retirement or recently retired from full time work
- considering a ministry which offers time for study

the opportunity to care for smaller parishes close to the Wild Atlantic Way in Counties Galway, Limerick and Kerry. Terms and Conditions are negotiable depending on individual circumstances, but most of these opportunities would involve approximately half - time work.

Does this appeal to you? Would you like to join the creative clergy team in Ireland's geographically largest, wondrously beautiful, diocese? If so, why not have an exploratory conversation with no strings attached?
